

FOR IMMEDIATE RELEASE

2025 INFORMATION AND COMMUNICATION TECHNOLOGY (ICT) ACCESS BY HOUSEHOLDS AND USE BY INDIVIDUALS SURVEY

The Zimbabwe National Statistics Agency (ZIMSTAT) will conduct a **household listing exercise** for the **2025 ICT Access and Use by Households and Use by Individuals Survey** from **12 to 21 October 2025**.

During this exercise, **ZIMSTAT Enumerators** will visit all households within **selected enumeration areas** across the country. Enumerators will carry official identification letters to authenticate their identity. This listing is a crucial preparatory step ahead of the **main data collection phase**, scheduled to begin in **November 2025**.

The ICT Survey listing exercise is conducted under the authority of the **Census and Statistics Act**, and all information collected is **strictly confidential**. Data gathered will be used **solely for statistical purposes** to support policy formulation, planning, and monitoring of development indicators.

ZIMSTAT appeals for the full cooperation of all households in the selected areas to ensure the success of this important national survey.

For more information, please contact the **ZIMSTAT Provincial Managers and Statisticians** listed below:
